WHEELON

ADM-6

Dear Doctor Wheelon:

I was very disappointed to learn that your calendar for the 6th of December is full, and, therefore, we will not be able to reschedule your address for that date. Unfortunately, our program at this time of year is so crowded that the 6th is the only date open in the near future.

I have asked my staff to investigate the possibility of a mutually satisfactory date sometime next spring. If this is not feasible, I hope that we shall have the pleasure of welcoming you back to our platform as part of next year's program.

Sincerely yours,

B. L. AUSTIN
